# ALL KLEEN

## General Purpose Floor Cleaner

H5

### DESCRIPTION

ALL KLEEN General Purpose Floor Cleaner is a multi purpose, mildly alkaline cleaner formulated to perform a wide variety of cleaning tasks on all surfaces. The product dries streak free and has a pleasant floral fragrance. ALL KLEEN General Purpose Floor Cleaner is recommended for all washable hard surfaces including walls, floors (vinyl, ceramic tiles, quarry tiles), vehicles and pressure washers.

### APPLICATIONS

ALL KLEEN can be used in a multiple of applications:

1. Hard surfaces - ALL KLEEN can be used for all hard surfaces.
2. Kitchens - Dissolves all cooking oils and baked-on grime and is harmless to all surfaces and is free-rinsing. For degreasing around stoves and hot plates.
3. Floors - For mopping of kitchen floors as well as maintenance of all floors where grime and dirt are a problem.
4. Bathrooms - For the removal of body fats and build-up from bathroom areas.
5. Vehicles - including motor cycles, tractors and trucks for under bonnet as well as exterior and interior surfaces.
6. Pressure cleaners - For use in Gerni Jet and all types of pressure washers. ALL KLEEN removes a variety of soils at low dilutions and provides good foam for cleaning vertical surfaces.

### FEATURES

- \* Non flammable water based degreaser
- \* Harmless to painted surfaces, plastic and vinyl
- \* Free rinsing
- \* Multi purpose degreaser

### BENEFITS

- \* Safer alternative to petroleum solvent types.
- \* Can be used on a wide range of surfaces.
- \* Leaves a shiny streak free surface.
- \* Can be diluted with water or solvents.

### DIRECTIONS FOR USE

For spray and wipe cleaning, dilute ALL KLEEN General Purpose Floor Cleaner 1:20 with water into a trigger spray. Apply to surface using clean cloth. Rinse cloth when soiled. Allow surface to air dry.

For general cleaning dilute ALL KLEEN General Purpose Floor Cleaner according to soil levels.

1. Light soil 1:100 with cool water. Normal soil 1:60 with cool water. Heavy soil 1:30 with warm water.
2. Apply cleaning solution via cloth, mop or through automatic scrubbing machine.
3. Remove excess dirt and cleaning solution from surface.
4. Rinse with clean water if required

### HEALTH & SAFETY INFORMATION

See separate Material Safety Data Sheet available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied.

Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
